

NORTHERN New Mexico College

Academic Program Elimination Exemption Request Form

To: Educational Policy Committee (EPC)

From (Department Chair/Director):

Purpose: Pursuant to Northern New Mexico College's Academic Program Elimination Policy, Section IV, Exemption Request, the [NAME] Department has determined that the academic program identified herein is no longer needed and requests that the EPC make a direct recommendation to eliminate the academic program identified without going through the complete Academic Program Elimination process.

Program:

Reason(s) for Proposed Elimination (Check all that apply):

The result of the program review results or the lack of implementation of the recommendations of a program review, as indicated by shifts in enrollment, cost of instruction, shifts in missions and responsibilities, quality indicators, etc.;

Loss of accreditation;

Loss of professional licensure requirements (at least in the state of NM)

Lack of, or low, enrollment;

Program illegality;

Critical financial exigency/crisis for the College as a whole as determined or declared by the Board of Regents;

Other, please specify (attach additional sheets or documentation, if necessary):

EPC Recommendation:

Exemption request granted; the EPC makes the direct recommendation to eliminate the program

Exemption request denied

Received by Office of the Provost
