The method(s) used by the institution to determine which students receive Emergency Financial Aid Grants and how much they would receive under Section 18004(a)(1) of the CARES Act.

In awarding Emergency Financial Aid Grants, Northern first identified which students were enrolled on the March 13, 2020 date when the Coronavirus national emergency declaration was made. Then students who were determined to be eligible to participate in Title IV programs were identified (535 students). These students met Satisfactory Academic Progress standards, did not owe an overpayment of federal aid, were not in default on a federal student loan, were degree seeking, and were thus determined to be eligible to participate in Title IV programs as the CARES Act guidance specified. It is important to note that students that were determined to be enrolled completely in online courses at the time of the emergency declaration were eliminated from receiving a CARES Act award.

In determining the award amounts a weighted point system was used: 40% for the unmet need and 60% for the number of credits enrolled in at the time of the campus disruption and move to online studies.

Award amounts averaged \$722 and varied between a minimum award of \$44 and a maximum award of \$1299.30

An amount of \$7,440.67 has yet to be awarded

6. Any instructions, directions, or guidance provided by the institution to students concerning the Emergency Financial Aid Grants.

On Monday, May 4th, 2020 an email regarding the CARES Act Emergency Funding was broadcast to the entire campus to include students, staff and faculty. This communication was in the form of a frequently Asked Question (FAQ) format intended to be simple and clear information about the emergency funding:

Dear Northern Students,

You may have heard that the federal government is providing special Covid-19 emergency grants to college students. As we prepare to distribute this funding to eligible students, we are sharing information to help you understand how you may be impacted.

Students with Questions about the CARES Higher Education Emergency Relief Funding should contact the Financial Aid Office at finaid@nmmc.edu

What is the CARES Act?

On March 27, Congress passed the "Coronavirus Aid, Relief, and Economic Security Act" (CARES) to provide economic relief to individuals for hardships experienced during the Covid-19 crisis.

How does the CARES Act Impact College Students?

The CARES Act provides colleges with funds to be distributed directly to eligible students for their “expenses related to the disruption of campus operations due to coronavirus, such as food, housing, course materials, technology, health care, and child-care expenses.”

Who is eligible for the CARES/Higher Education Emergency Relief Funds?

Students who meet basic eligibility criteria for federal financial aid can be considered for these funds. The Financial Aid Office will use the Free Application for Federal Student Aid (FAFSA) data to determine your eligibility. If you are eligible to file a FAFSA but have not yet filed for 2019-20 and need assistance, please file a FAFSA at studentaid.gov. For assistance with your FAFSA, please contact finaid@nnmc.edu. Under U.S. Department of Education rules for the program, these funds can be awarded to students pursuing degree programs and enrolled at Northern.

Unfortunately, the U.S. Department of Education does not allow these funds to be used for international students, undocumented students, non-matriculated/non-degree seeking students or students enrolled in distance-only degree programs.

When will CARES/Higher Education Emergency Relief Funds be available?

Northern has received funding from the U.S. Department of Education, and will distribute grants to students based on their enrollment status and financial need beginning the week of May 4th. Recipients will be notified via their NNMC Eagle email account.

Why wouldn't I receive a CARES/Higher Education Emergency Relief Fund Grant?

Under U.S. Department of Education rules for the program, students who are not eligible for federal financial aid programs are not eligible for federal CARES grants. Students who have not yet done so are encouraged to work with the Financial Aid Office to fill out the FAFSA, which will help us determine eligibility for a CARES/Higher Education Emergency Relief Fund grant.

Will CARES/Higher Education Emergency Relief Fund Grants be Applied to Outstanding Balances on my Student Account?

No, these grants will not be applied to outstanding balances on student accounts and are intended to provide immediately accessible funds to students.
